AUTISM SUMMIT

— 2025 —

OUR VISION AND PURPOSE

The National Convergence Autism Summit is dedicated to all the unsung heroes who fight and search every day for answers and support. There is nothing that makes providers, teachers, therapists, and parents feel more helpless than not being able to communicate or respond effectively when a child or adolescent with autism is acting out, engaging in self-harming behaviors, becoming aggressive with others, or exhibiting maladaptive behaviors. Convergence is committed to providing an educational forum to help further competency, understanding, research, and support to assist those involved with children and adolescents with autism to have the skills they need to improve the quality of life for the individual and their families.
