GREENVILLE, SC

Tickets on Sale Now!

CONVERGEAUTISM.COM

ABOUT

Springbrook Behavioral Health is proud to present the Second Annual Converge Autism Summit on March 1st through March 2nd, 2018 in Downtown Greenville, South Carolina.

This summit is dedicated to all the unsung heroes who fight and search every day for answers and support. There is nothing that makes providers, teachers, therapists, and parents feel more helpless than not being able to communicate or respond effectively when a child or adolescent with autism is acting out or exhibiting maladaptive behaviors. Converge is dedicated to providing an educational forum to help further competency, understanding, research, and support to help those involved with children and adolescents with autism, and improve the quality of life for the individual and their families.

Our speakers represent a variety of fields including Occupational Therapy, Behavioral Analysis, Special Education, Family Therapy, and Youth Psychiatry. There will be separate tracks tailored to parents, professionals, and educators.

LOCATION

The summit is located at Embassy Suites Downtown Greenville Riverplace (250 Riverplace Greenville, SC).

A limited number of rooms at the venue are available at a discounted rate to attendees. For more information call 864-263-4800 and mention the 2018 Converge Autism Summit or visit the Converge website listed below for a booking link.
