ABOUT THE EVENT

OUR VISION & PURPOSE

This national summit is dedicated to all the unsung heroes who fight and search every day for answers and support. There is nothing that makes providers, teachers, therapists, and parents feel more helpless than not being able to communicate or respond effectively when a child or adolescent with autism is acting out, engaging in self-harming behaviors, becoming aggressive with others, or exhibiting any of the maladaptive behaviors. Convergence is dedicated to providing an educational forum to help further competency, understanding, research, and support to help those involved with children and adolescents with autism and improving the quality of life for the individual and their families.

EXPECTED ATTENDANCE

We are expecting 350-400 providers, therapist, educators, and parents from across the Southeast.

FEATURED SPEAKER - DR. TEMPLE GRANDIN

We are very excited to have Dr. Temple Grandin speaking this year. Dr. Grandin was diagnosed with autism as a child and went on to pursue work in psychology and animal science. She has become a leading advocate for autistic communities.
